I will be given a library card to sign. This makes me a member of the library.

I will also create a PIN number so I can use WiFi on my phone or laptop and the library website.

When I visit Blackrock Library

In the library there will be shelves of books, CDs and DVDs.

I can borrow a book, CD or DVD and take it home with me.

There are sensory items for me to use while in the library. I can ask a member of staff for help.

When I visit Blackrock Library

The librarian will show me how use the self-service machine to borrow a book, CD or DVD. They will tell me when I need to bring it back to the library.

The library has computers and tablets.

The computers are free to use. All I need is my Library Card and PIN number.

To use the computers I might need to wait for one to be available. I can talk to a librarian about this.

I can see if there is an event on in the library by reading the screen outside or checking the website.

When I am ready to leave, I will exit the library by pressing the PUSH button.
