

# CREATIVITY DAY HAVE YOUR SAY

Cruinniú na nÓg is a creative festival for young people on Saturday 10th June. It's a chance to try out new creative things and we want YOU to help us CHOOSE them.

What creative things do YOU like making?

What creative things do YOU like doing?

What 3 things would YOU like to do on the Cruinniú day?

What creative places or events do YOU like going to?

What other creative things that you've never tried before would YOU like to do?

THANK YOU!
