

Welcome to Stillorgan Library

I'm going to
Stillorgan Library

If I need help I can
talk to someone and
ask questions first.

I can call
01 2889655

I can ask the person
for a tour of the
library

There are different people who work at the library who I can talk to

The library is usually a quiet place where people talk quietly, relax and read books

Sometimes it might be noisy and busy. If it is noisy I can ask for help.

I will talk to a librarian who works there to become a member of the library

I will tell them my name, address, date of birth, telephone number and email address

A sample of a 'dlr Libraries: Adult membership form'. The form is titled 'dlr Libraries: Adult membership form' and includes the following fields: 'I wish to apply for a library card for (tick one): Full membership (Photo ID & proof of address required) []', '*Date of birth: _____ Gender: _____', '*Surname (Family name): _____ *First name: _____', '*Address: _____', 'Eircode: _____', 'Phone: _____ Email: _____', 'Please tick if you would also like to receive news from dlr Libraries by email []', and '*I agree to join Dún Laoghaire-Rathdown Public Libraries under the membership terms and conditions and I acknowledge that I have read and understood the Data Protection Privacy Statement as per the Libraries Ireland website, for information in connection with the library management system and the purpose for which my data will be held and used by the Library Service []'. At the bottom, there are fields for '*Signature: _____' and 'Date: _____'.

I will show the librarian my photo identification. This can be a driving licence or passport

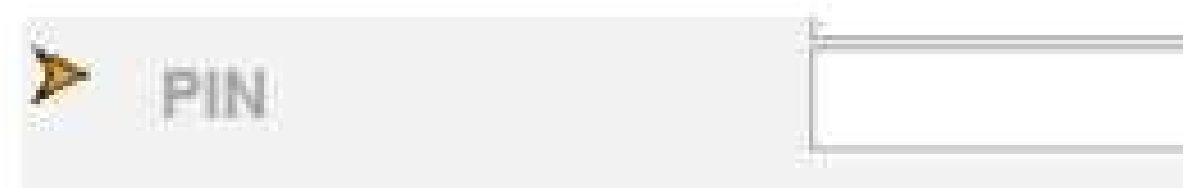

I will also show proof of my address. This can be a bank statement or household bill

I will be given a library card to sign. This makes me a member of the library

I will also create a PIN so I can use the WiFi on my phone, tablet or laptop and the library website

In the library there will be shelves of books, CDs and DVDs

I can sit and read a book

There are sensory items for me to use in the library. I can ask a member of staff for help

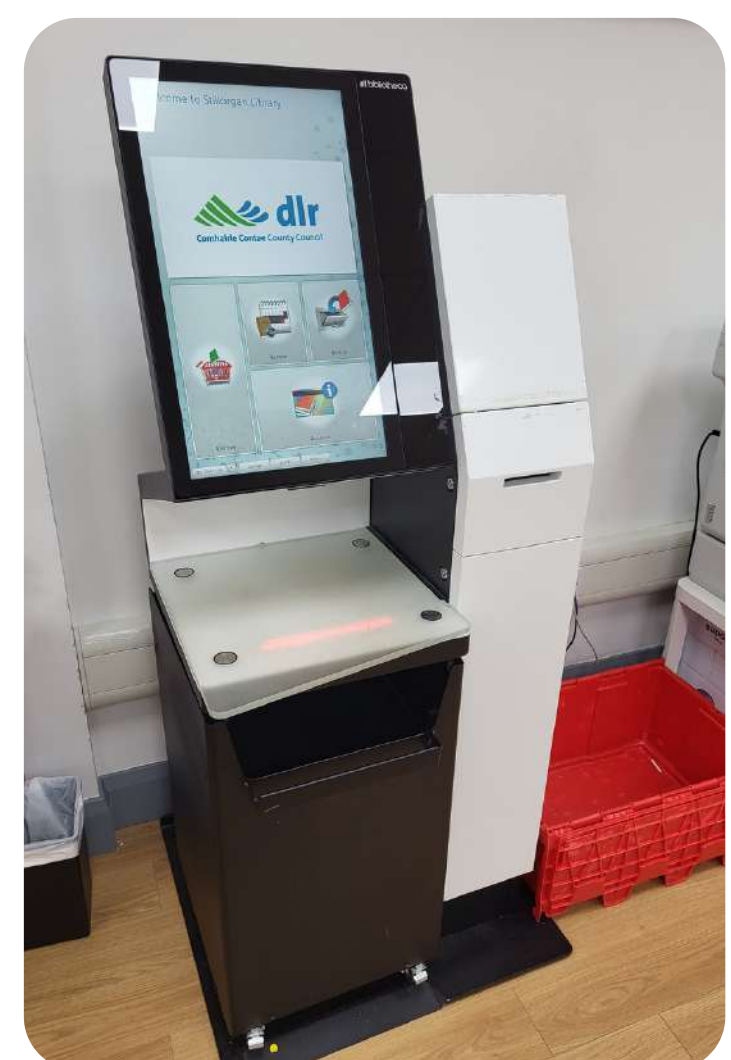

I can borrow a book,
CD or DVD and take
it home with me

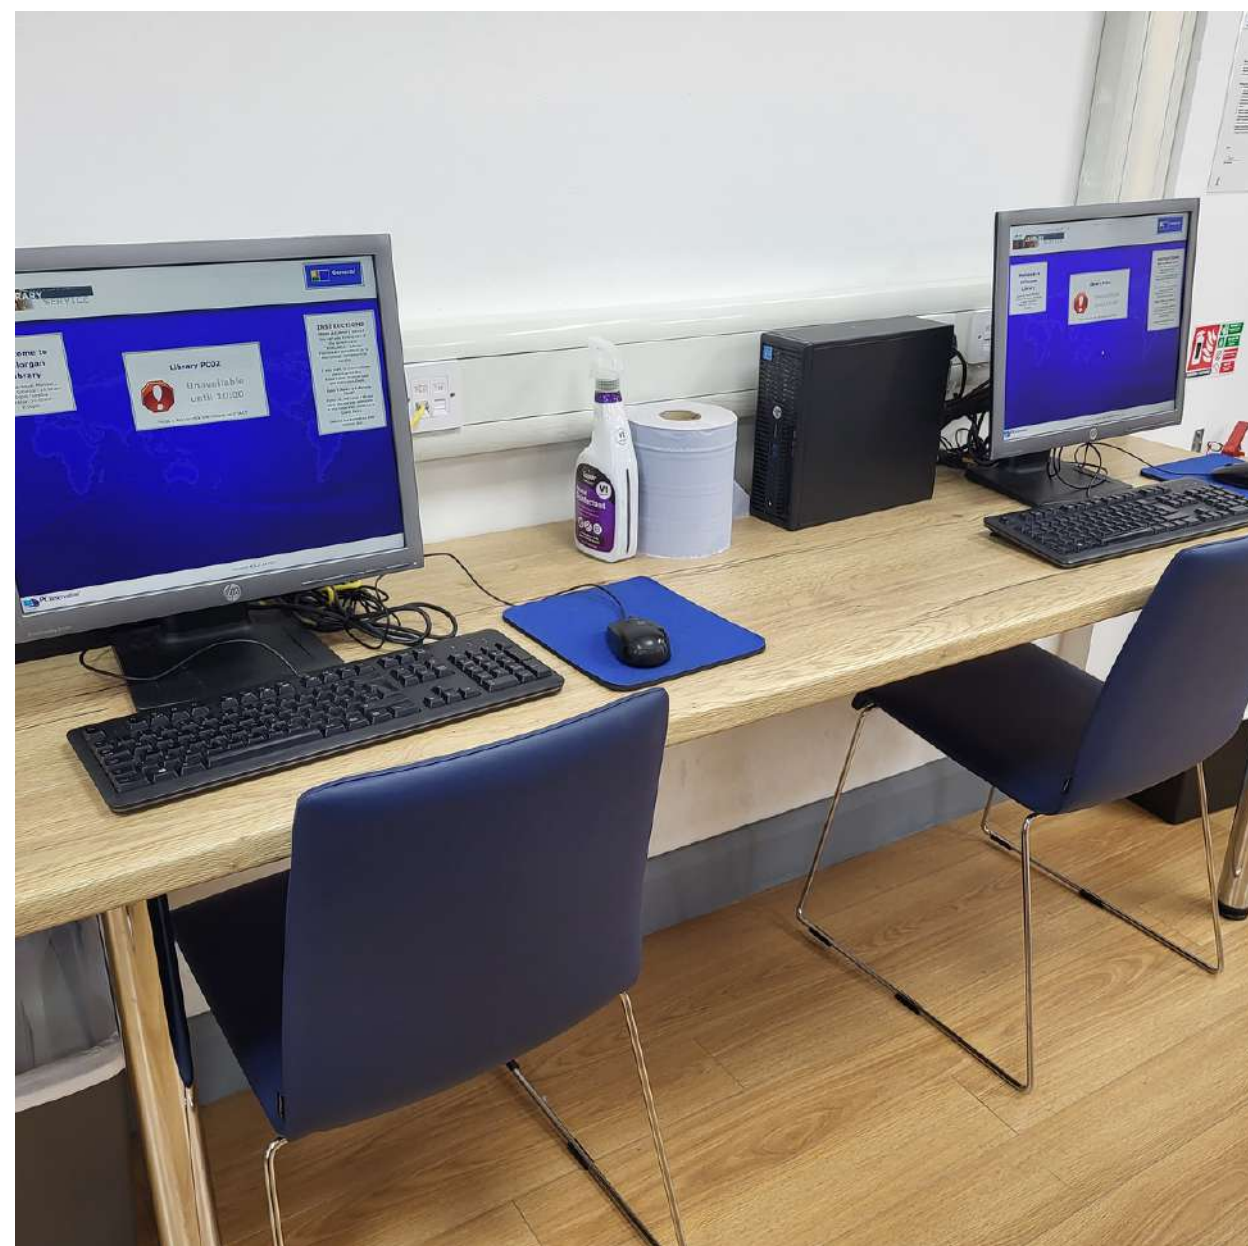

If I want to borrow
something I can talk
to a librarian and ask
for help.

There is also a self-
service machine I
can use to borrow
and return things. If I
need help I can ask
a librarian

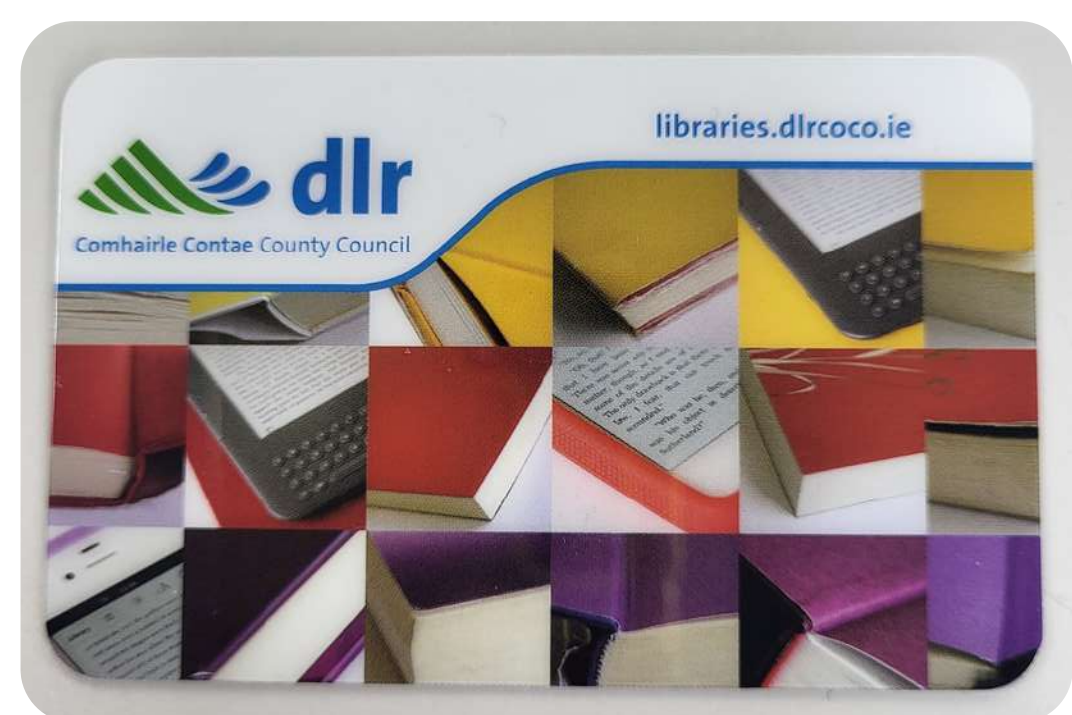

There are computers in the library. The computers are free to use.

There is a laptop in the library which I can use if the computers are not available.

To use the computers or laptop I will need my library card number and PIN.

When I am finished I
will leave the library

Thank you for visiting
