

# dlr Libraries

We provide services across Dún Laoghaire-Rathdown through a network of 8 libraries, including dlr LexIcon. All dlr Libraries are accessible buildings, and are safe, welcoming, inclusive community spaces.

Libraries are free to join with no charge to borrow and no charge on overdue items. All library authorities in Ireland are connected and share a national catalogue. This means if you need to reserve books from a different county, it's possible to have them sent to your local library for collection.

## More than books!

As well as books, we also lend audio books, music CDs and DVDs. A wide selection of daily and weekly newspapers and magazines are available to browse onsite.

Free Internet access and wi-fi is available in all branches. Black & white or colour photocopying, scanning and printing is available.

You can print from the library computers but also directly from your laptop, tablet, smartphone, or remotely from your computer at home. You can also borrow laptops to use in the library.

## Online resources

We have lots of information and resources on our website [libraries.dlrcoco.ie](http://libraries.dlrcoco.ie)

You can:

- download eBooks and eAudiobooks to read to your tablet, laptop or smartphone
- read magazines, newspapers and comics online
- take an online course
- learn a language
- stream or download music to your device
- listen to a podcast
- watch an exhibition on your tablet, laptop or pc

You just need your library card number and your PIN, and it's all free!

## Events Programme

We programme a varied selection of events, projects and initiatives for all ages, that tie in with local and national campaigns that take place live in our library spaces or virtually.

### These include:

Right to Read literacy campaign  
Keep Well and Healthy Ireland at your Library  
Creative Ireland Programme  
Work Matters at your Library

We also programme events supporting Age-Friendly, Digital literacy, STEAM and Autism-friendly initiatives.

## Book Drop Service

This is a service operated from dlr Lexlcon for older members of our community or those who are particularly vulnerable during this time, who can't physically get to the library. You tell us what type of books you like to read and a selection will be delivered to your door.
