

Looky Book

Foldable electronic magnifier

Looky Book

The Looky Book has a vibrant 12.5 inch full HD touch screen and multiple camera's to suit all situation. The main camera can be used as a standard desktop magnifier and the flip-up camera offers distance view and mirrored view.

The high contrast tactile and touch screen controls make the vast array of functions easy to use. From basic functions as high contrast modes to OCR and text-to-speech.

The foldable design and included carrying case make the Looky Book the ideal companion to use at home and take with you to work, school and on holidays. The detachable, rechargeable battery pack ensures a true mobile experience.
