

Welcome to Cabinteely Library

I'm going to the library

This is the main entrance for Cabinteely Library. I walk up the garden path and then go through the door and enter the building.

When I enter the building I go through the doors on the left to enter the library.

I will enter the library through the main door on the left, this is what I'll see.

Once I enter I can go to
the desk to see the
librarian.

Librarians wear a staff badge
on a blue lanyard.
Sometimes it might be noisy
and busy. If I need help I can
ask a librarian.

I can join the library
and get my own library
card.

These are pictures of
the Junior Library.

I can borrow books
and read and relax in
the Junior Library.

These are the study spaces in the library. I can study here. They are beside the Teen Library.

This is the Teen Library. It is beside the Junior Library.

This is the Adult Library. I can relax and read books here.

I can use the self-service machine to check out and return my library items.

I can relax and read in comfortable chairs at the Newspaper Table. This is opposite the library entrance.

I can use a public PC.
I will need my library
card number and my pin
number to use the
computers.

I can print, photocopy and scan in the library. If I need help I can ask the staff.

I can use the public
toilet in the library
which is beside the
Teen Library.

When the library is closed I
can return my books to the
book bin in the library
garden.

We hope you enjoyed
your visit to Cabinteely
Library.
