About Shankill Library

I can ask for a tour of the library.

There are different people who work at the library who I can talk to.

The library is usually a quiet place where people talk quietly, relax and read books.

Sometimes it might be noisy and busy. If it is noisy I can ask for help.
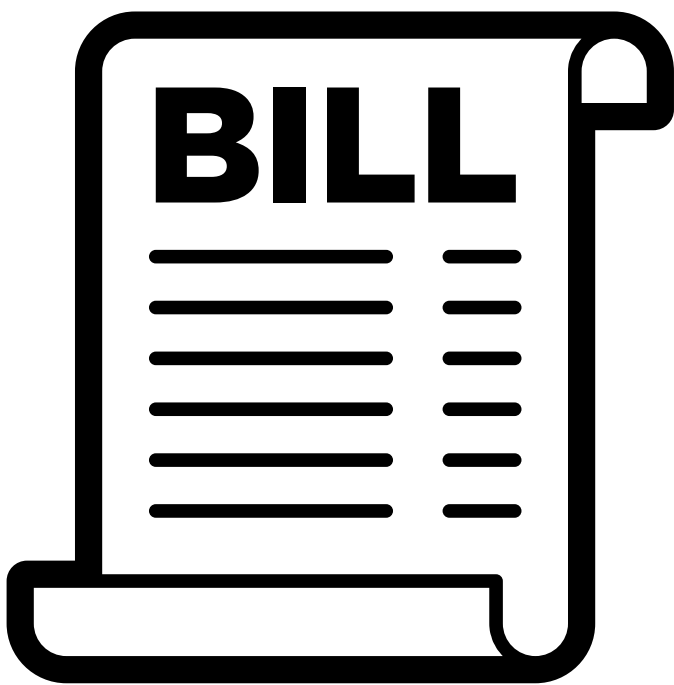

When I get to the library I will see a desk. I will talk to a librarian who works there to become a member of the library.

How I become a member of the library

I will show Photo Identifaction and Proof of Address

I will be given a library card to sign. This makes me a member of the library.
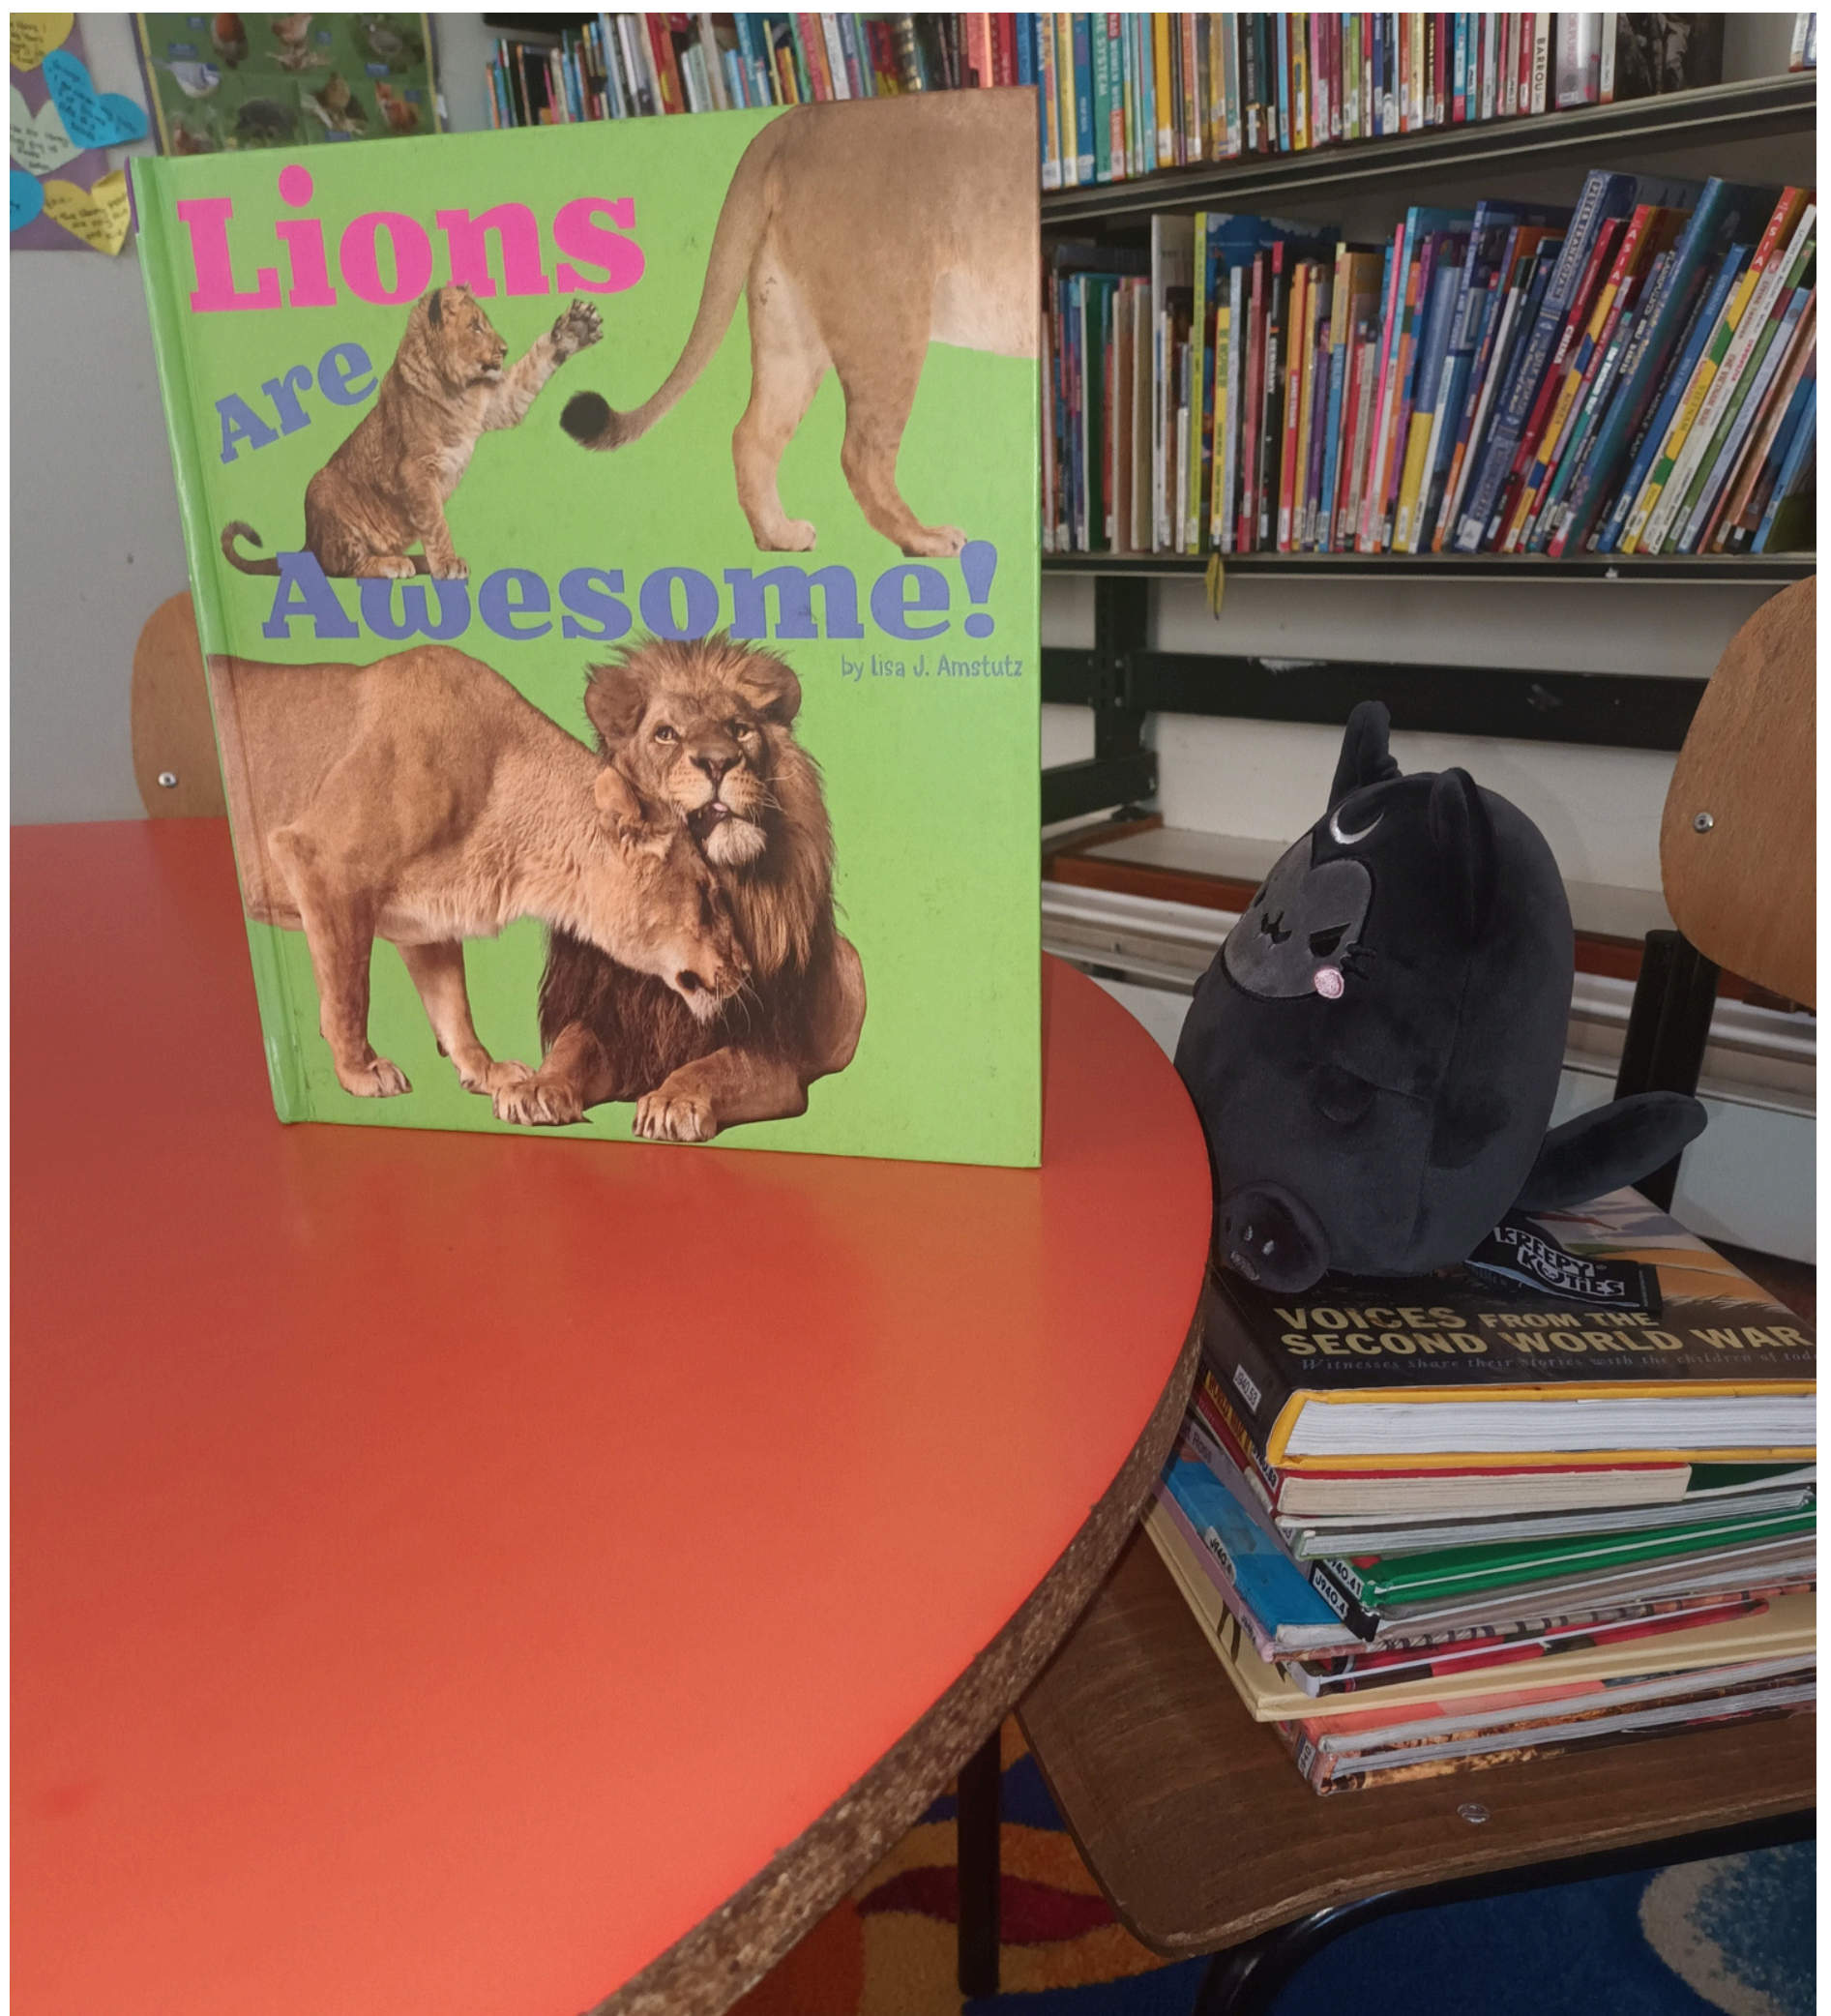

When I visit Shankill Library

In the library there will be shelves of books, CDs and DVDs.

I can sit and read a book

I can borrow a book, CD or DVD and take it home with me. I will talk to a librarian and ask for help.

There is also a self-service machine I can use to borrow and return books. If I need help, I can ask the librarian.

I return books belonging to other branches here after using the self - service machine.

I return books belonging to Shankill on the trolley after using the self - service machine.

In the reading room, there are some computers.

The computers are free to use. I can drop in or book a computer if I want it at a certain time. I can do this online or ask a librarian. I will need my library card and pin to do this.

There is printing and scanning in the library. I can follow the instructions printed on the wall or under the screen. I can ask the librarian for help.

There is a toilet in the library that I can use.

There are sensory items for me to use. To get them I can ask a member of staff.

When I have finished I will leave the library.

Thank you for visiting Shankill Library
